Equity Policy

Loughborough Boat Club is committed to equity across all aspects of its activities and development.

Sport equity is about fairness and equality of access, but it is also about recognising inequalities and taking steps to address them. It is about providing a structure to ensure the club and rowing are accessible to everyone. This club policy applies to all members, coaches, volunteers, parents and anyone involved in Loughborough Boat Club, whether or not they are British Rowing members.

Loughborough Boat Club respects the rights, dignity and worth of every person and will treat everyone equally within the context of their sport, regardless of age, ability, gender, race, ethnicity, religious belief, sexuality or social/economic status.

Loughborough Boat Club is committed to everyone having the right to enjoy their sport in an environment free from threat of intimidation, harassment and abuse.

All club members have a responsibility and are expected to oppose discriminatory behaviour and promote equality of opportunity.

Loughborough Boat Club will deal with any incidence of discriminatory behaviour seriously, according to club disciplinary procedures.
